My dear Mr McLeod.

Your favor of 15<sup>th</sup> inst. to the many  
favours wh your kindness has prompted you to attend to  
me, may I ask another. My son has been delayed by  
artistic work in Paris two weeks over time, he is to  
sail today for N.Y. and I think will be in Phil  
in abt 16 days, when he will at once proceed  
to Washington or will write to you advising a  
disposition of his pictures, if you can retain  
the pictures until then you will again oblige  
Yours truly  
A. Heaton

June 20<sup>th</sup> 1883. 2953

I am an Art Student, working with a higher aim than mere pleasure. I have devoted my time this winter to portraits. I have no trouble in getting the likeness, I have just finished a beautiful portrait of a child, and I would like to have some one capable of doing it to criticise it; as a work of art. I have no one here to judge of my work excepting as to beauty.

I thought I would ask if the judge of the Gallery would examine the above picture, and criticise it as a work of art. I would pay expressage. I hope the request is not out of place.  
Respectfully, Miss Anna Kern
